

甲南大学から留学しましょう!

Konan University's study abroad programs are growing fast as more and more students decide to study overseas. We have study abroad programs with various universities in Canada, the United States, Australia, England, France, Germany, Korea, Taiwan and China that you can choose from, and the choices are increasing every year.

No matter what your language learning level is, Konan offers a study abroad program that will fit your level and learning goals. If you are too busy to study abroad for a long time, you can participate in an *Area Studies* program (about 2 weeks) or an intensive language study program during the Spring or Summer Break (about 1 month). Or, if you really want to study longer, there are programs where you can stay 3 months, 6 months, or even a year.

You can also get academic credit at Konan University for these programs. If money is a problem, there are several kinds of financial support that you can apply for. Whatever your needs, Konan University has study abroad program just for you!
