

英語 解答例

公募-2 (マネジメント創造学部：英語評価型)

1

(1) The term originally applied to major economic organizations, but later began to be applied to other fields as well. (19 words)

(2) Because it is an invisible barrier that may not be noticed until one actually hits it.

(16 words)

(3) assigned to an inferior position

(4) Vice-President

(5) Although there is supposed to be equality between men and women in the workplace, women still have much more difficulty advancing in their career. Many people believe that there is a “glass ceiling” blocking the way for women. (37 words)

(6) In many ways, women are smarter than men. If there are things that hinder the chances of women using their intelligence and creativity, those barriers should be removed. When there is work to be done, the important thing to think about is who can get the job done right, not whether that person is a man or a woman. Don't listen to the excuses used by those who resist change. (70 words)
